“Compassion is an action word with no boundaries.” ~ Prince

It's hard to believe that 2016 has passed so quickly! The year was filled with informative and fun filled events, service projects, and much dedication to the Racine community. So many people deserve recognition and gratitude for their philanthropic attitudes and actions!

And now let's take a look back at the memorable highlights from 2016!

A Look Back at 2016

The start of the year...

During the first quarter of the year, we welcomed new providers **Sheryl Hansen, NP**, **Elizabeth Henry, NP**, and **Anne Stoltenberg, APNP**. They joined the esteemed group of dedicated professionals serving patients at Health Care Network.

Racine Country Club Women's Luncheon was held in December. The continued support through this much anticipated event was amazing!

Health Care Network received a generous grant from the **J. Vernon Steinle and Elmyra K. Steinle Foundation**.

Ascension-All Saints held its annual tree and wreath raffle, raising \$2,200 for the agency this year. This is a highlight each and every year and staff members look forward to designing a tree from Health Care Network.

The staff of Health Care Network attended the celebratory Victory Dinner in honor of the hard work **United Way of Racine County** had done to raise money to support the many important causes in Racine County. HCN is grateful to be a partner provider!

Created by the Staff of
Health Care Network

In March, **Dr. Tom Potisk** facilitated a presentation on Whole Health Healing at the **Golden Rondelle Theater**. Health Care Network is fortunate to have such talented and knowledgeable volunteers!

As we sprung into spring...

Elizabeth Henry, NP, Anna Kirchner, DDS, Kimberly Olesen, DDS, and Kelsey Rae, MA joined Health Care Network. We appreciate all of their hard work and dedication!

The week of April 4-8, 2016 marked the first annual **Free and Charitable Clinics Week**. An article about the good work being done through HCN was published in the **Journal Times**. During this week, the **Wisconsin Association for Free and Charitable Clinics' (WAFCC)** documentary, *The Need Continues*, debuted at the Wisconsin State Capitol on April 5, 2016. The documentary details the critical safety net role free and charitable clinics play in Wisconsin post Affordable Care Act (ACA).

Terry Ladwig, Katherine Gaulke, Alison Sergio, Mary Reich

Terry Ladwig, Board Chair of WAFCC, **Katherine Gaulke**, Executive Director of WAFCC and **Mary Reich**, Executive Director of Lake Area Free Clinic toured Health Care Network's facilities and shared programming strategies.

Dr. Raj Thota, Chief Medical Officer at Burlington Memorial Hospital, paid a visit to HCN's Waterford location. We are thrilled to have his support!

The biennial HCN Ladies Luncheon fundraiser was a terrific success, raising a record \$33,000! What an amazing show of support for our mission! **See more information in this newsletter.**

The agency is again fortunate to be a **United Way of Racine County** partner provider and was awarded \$119,500 to support services for the 2016-2017 fiscal year.

During the dog days of summer...

Health Care Network welcomed new providers **Karri Huber, DO, Leah Johnson, DDS, Daryl Kruse, OD, Caleb Lippman, MD, Joshua Pessin, MD, Asher Neren, MD, Steve Ryder, MD, and Dorthia Wilson, APNP.**

Racine Community Foundation awarded Health Care Network \$9,500 toward the purchase of needed dental equipment. Monies were graciously donated through the **Louis S. Ehrich Jr Fund, Vonnie Jones and Maglona Jones Fund, and Our Savior's Lutheran Church of Racine Foundation.** Thank you for the continued support!

Liz Powell, Tracy Middlebrook, Alison Sergio

2016 brought about another successful **Dental Dash**, thanks to the efforts of **Gina Christensen** and **Shelly Keiser** at **Racine Dental Group!** Over \$3,100 was raised to support Health Care Network!

Two of Health Care Network's volunteers extraordinaire, **Laurie Kobor, RN** and **Kelsey Rae, MA** began the extensive work toward creating a monitoring system for diabetic and hypertensive patients. Through their efforts, Health Care Network will be able to better monitor those with chronic diseases and assist with additional educational opportunities and community services in order to have better outcomes.

The hard work and dedication of **Georgia Hall** toward putting together the **Music and More Concert** series at **First Presbyterian Church** paid off immensely for Health Care Network again this year! As in the past, Health Care Network was one of three recipients of funds, receiving \$1,800! The members of First Presbyterian Church are truly inspirational!

The cool, crisp autumn...

A warm welcome to **Tom Eldridge, DDS** and **David Kemper, DDS.**

Convoy of Hope rolled into Town in September and Health Care Network was one of many community organizations, churches and businesses who participated. Over 800 volunteers came together to serve the needs of thousands in Racine. It was an amazing display of community!

Autumn Activities Continued...

Students from **UW-Parkside Applied Sciences** and **Spanish** programs joined the many volunteers at HCN. They assisted by providing Spanish interpretation, answering phones and providing extra help in the office.

Students in **UW-Parkside's Database Design Class** are creating a database for staff and volunteers to better manage patients with chronic diseases. We are fortunate to have created this beneficial partnership!

The annual **United Way Day of Caring** brought out volunteers **Mike Frontier, Patrick Bohon** and **Linda Zeigler** who helped us get ready for cold and flu season by cleaning the upholstery at Health Care Network. We always appreciate the enthusiasm and hard work of these volunteers!

October and November is the time to get flu shots. Thank you to the pharmacists from **Walgreens** who provided this service to the patients at Health Care Network!

Dr. Ned Murphy became the President of the **Wisconsin Dental Association**.

Laurie Kobor, RN was chosen as one of **Molina Healthcare's 5 Community Champions for 2016!** We could not be more proud of Laurie and her dedication to the patients at HCN. This is a very well deserved honor and HCN is privileged to have Laurie among the esteemed group of volunteers!

Happy Birthday Health Care Network, Inc.!

2017 marks the agency's **30th** birthday! Would you consider a gift to celebrate this milestone occasion? How about:

30 reams of paper
\$30, \$300, \$3,000, \$30,000 – extra zeros for good luck!
30 rolls of bathroom tissue
30 packs of pens
30 bottles of Ibuprophen
A surprise mix of **30** office supplies

Be creative for a good cause! Help us celebrate the countless volunteer hours, the loyal donors and the exceptional care that has been provided to the uninsured residents of Racine County over the past 30 years!

Your donation of **30** items or special financial support *specifically marked* in honor of our birthday will be highlighted in next year's newsletter!

Dear Friends of Health Care Network,

It is that wonderful time of the year again when we pass along season's greetings to all those who make Health Care Network the wonderful organization that it is. We would like to recognize the efforts of our many volunteers who fill so many roles. From those who provide patient services to those who help us with data entry and office duties to those who serve on the board or a committee, the dedication to ensuring the success of this organization is remarkable to say the least. Every effort is another piece of the pie that allows us to provide the best care possible. We cannot thank you enough for all you do!

The loyalty of our friends who make financial contributions in order to keep our doors open is astounding! When we are asked about what difference a donation makes, we reply that contributions provide diabetic meters, testing strips and insulin to diabetics, lab work, x-rays and antibiotics for patients diagnosed with pneumonia, mammograms for low income women, tooth extractions for those with no dental coverage and flu shots to help keep Racine healthy. There is truly nothing better than hearing a simple 'thank you' from patients who struggle to provide for their family and know that, without Health Care Network, they could not afford doctor visits and medications. Our mission is a lifesaving one and we could not do it without your financial support. Many of you have been valued contributors for years and for that we are grateful. We sincerely hope you will continue to remember us with another year end contribution.

As you can see by the highlights of this past year, 2016 has been another busy one. The staff has been diligently working on meeting the diverse and many needs of patients while navigating the ever changing landscape of health care. They are a small but mighty group who give their all each day. Thank you for your hard work and flexibility!

Author Richelle E. Goodrich once said "Every sunrise is an invitation for us to arise and brighten someone's day". The efforts of our volunteers, donors, and staff give life to this beautiful sentiment! Thank you to one and all for all you do to keep Racine healthy!

2017 will bring about some exciting changes that we are looking forward to sharing with you! Make sure to like us on facebook to learn more and stay tuned for upcoming information!

On behalf of the Board of Directors and the staff at Health Care Network, thank you for your generosity and continued support. Wishing you and yours a very joyous holiday season.

David M. Perkins, President – Board of Directors

Alison Sergio, Executive Director

Those We Remember

Over the past year, our community mourned the loss of members whose families designated Health Care Network as a memorial site. We are grateful to the families of those who have passed who, during their time of grief, have chosen to secure the future of Health Care Network through generous financial support in memory of their loved ones.

A Lasting Legacy

Have you ever pondered the lasting impact of your current involvement with the Health Care Network? Whether you are connected as a volunteer, friend, or financial supporter, you make a difference in the lives of those in need of health care. You make a lasting and significant contribution to the people of Racine County.

Yet another way to have a lasting impact on the future of our work is with a charitable bequest. This simple expression of your support will enable the Health Care Network to continue to provide services long into the future. There are several ways you can make provisions for the future of this important work:

1. Include a gift to the Health Care Network in your will.
2. Name the Health Care Network as the beneficiary of a trust, retirement plan, insurance policy or bank account.

Making a charitable bequest is as simple as a call to your attorney, retirement plan administrator or bank. And, of course, you may change or enhance your gifts at any time. So please, consider leaving a lasting legacy for Racine County.

Health Care Network, Inc. demonstrates strong Outcomes

As a part of United Way of Racine County's investment process, programs must demonstrate the impact of the program on participants beyond just the numbers served. Health Care Network, Inc. has chosen indicators which not only demonstrate improvement for the patient, but also, if successful, have a positive effect on the community at large. The goals are for patients to integrate healthy lifestyles and to gain measurable skills in making health and safety choices. We are proud to report the following results.

A large percentage of the patients served suffer from high blood pressure and/or diabetes. With health education integrated into each clinic visit, 86% of the patients seen for one or both of these issues maintained or improved blood pressure and fasting blood sugar/glycohemoglobin levels.

Dental care plays a significant role in overall health status. Seventy three percent (73%) of patients demonstrated acceptable prophylactic oral care as evidenced by the oral health exam measuring calculus, pocket depth and inflammation of tissue.

In 2017, we will begin a more regimented diabetes management program aimed at increasing the positive outcomes. Volunteer nurses will provide one on one contact with diagnosed diabetics between regular medical appointments. Topics covered will include proper nutrition, proper ways to track blood sugar levels, knowing when to contact the doctor, and the importance of exercise.
