

## Health Care Network

Presents:

Patti Vasquez is the host of The Patti Vasquez Show on WGN Radio, a stand-up comedian and co-creator of the upcoming series "Patti Happens." Patti was born and raised in Chicago and is an internationally performing comedian.

Patti created a company called "With Kind Words" in which she provides consultation for healthcare providers. She urges them to consider the emotional readiness of every member of the team, from the health professional to the caretakers, as they strive to ensure the best possible outcome. She incorporates humor and personal experiences as the mother of a child with special needs to lead her audience on an intellectual and emotional journey. She has shared her presentation with humor and heart for groups such as the Central DuPage Hospital, Iowa Department of Education, The Hope Network and Gilda's Club.
